Dear Sir:

INTRODUCTORY COMMENT

The Office Action dated April 3, 2007 specifies a shortened statutory period for response set to expire on July 3, 2007. However, the drawing objections specify a two-month time period to submit new drawings. Thus, please find attached the Applicants' replacement Figures 1-9.

REMARKS

The replacement sheets contain replacement Figures 1-9. Please note that the claim rejections will be addressed in a further response, taking into consideration the second deadline of three months.

CONCLUSION

In view of the foregoing, Applicants submit that the drawing objections have been overcome.

Should the Examiner wish to discuss the present amendment or present patent application, he is invited to contact the undersigned at (514) 345-7955.

Respectfully submitted,

Dated: June 4, 2007
